

Coaching & Training

Multidisciplinary psychological counseling, coaching and training through analysis, goal achievement and expertise for individuals, groups and companies.

Together, your challenge, against all odds

Achieve your goals through a customized guidance based on your needs and requirements, in terms of durable change? Or do you want psychosocial support for your business in function of a balanced group dynamic?

Private individuals, corporations and groups are welcome for a spirited way of creative and efficient goal-achievement.

You can also go to Ellen for lectures, trainings and opinions.

Do you want more information or wish to make an appointment?
